

ROSIE THE RESUME BUILDER

EXT. FOOTBALL STADIUM - DAY

ROSIE and her friends stand in the bleachers for a college football game. They wear their school colors, red and white.

ROSIE

The game starts in like, four minutes, right?

DEREK

(looking at his watch)
Damn! Four minutes exactly! That's impressive.

AMANDA

She's got some great time management skills.

ROSIE's eyes widen. She suddenly pulls out her laptop.

AMANDA

What're you doing, Rosie?

ROSIE

Updating my LinkedIn, duh!

DEREK

Now?

ROSIE

It'll only take a second...
(She types furiously.)
Skills and endorsements... time management... done!
(She shuts her laptop dramatically.)
All of you go endorse my new skill!

JOSH

Oh, uh... I'm out of data... I'll do it after the game.

DEREK

Yeah, me too.

AMANDA

You know what, Rosie? It's been a long week. Why don't we forget about school and job hunting and have a good time?

JOSH
Cheers to that!

DEREK
Well then, guys, it's time to cut
loose.
(He takes out a six pack of beer
and passes out drinks.)
Cheers!

They all hold up their beers and cheer together.

AMANDA
First one to chug's the champion!

Everyone whoops. They all chug - ROSIE the most ferociously
of all, with beer spilling down her front and onto the heads
of the people in the row in front of her, who turn around
annoyed. She screams in triumph.

ROSIE
Me! First place - I'm the champion!

AMANDA
Nice one, Rosie!

ROSIE pulls out her laptop from her bag again.

DEREK
Not again, Rosie.

ROSIE
(not listening)
Let's see... honors and awards...
Publication, patent, course,
project... I'd call this an award,
wouldn't you?

DEREK
Uh... I guess.

JOSH
(muttering)
Yo, who invited this chick?

DEREK slyly points to AMANDA.

ROSIE
Title? Champion, 2019. Associated with
Student... Issuer. Hm. Do we have a
collective squad name?

(No one answers.)
 You know what, not important. There's
 no asterisks. Issue date... October
 2019... Description. Hm... Awarded
 first prize for quickest completion of
 management related tasks of an
 artifact of Midwestern intangible
 cultural heritage.

ROSIE dramatically presses enter and looks up.

AMANDA
 Are you done?
 (ROSIE nods. AMANDA whispers.)
 Could you put that away then? You're
 embarrassing me.

ROSIE
 Oh yeah, no problem. No more touching
 the laptop.

DEREK
 Hey look, the game's starting!

 Noooo!!!

JOSH
 Wait a minute, guys... where's Rosie?

AMANDA

JOSH
No. It can't be!

The friends watch on in bewilderment.

AMANDA
It is! It's Rosie!

JOSH
No way... is she *updating her resume?*

DEREK
(looking at his phone)
Nope, her LinkedIn. She just added a new skill: team player.

ROSIE shouts to the bleachers.

ROSIE
Endorse me!!!

(BLACKOUT)
